INDEPENDENT AUDITOR'S REPORT TO THE STAKEHOLDERS OF MIDLANDS COMMUNITY COLLEGE ASSOCIATION

Report on the financial statements

We have audited the financial statements of Midlands Community College Association set out on pages 8 to 23, which comprise the statement of financial position as at 31 March 2016, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and the notes, comprising a summary of significant accounting policies and other explanatory information.

General committee's responsibility for the financial statements

The association's General Committee is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards for Small and Medium-sized Entities and the requirements of the Constitution, and for such internal control as the General Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Compilation of the financial statements

These financial statements were compiled by an independent accounting professional whose compilation report is presented on page 5.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

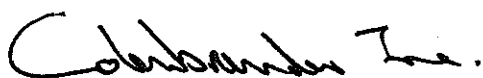

In our opinion, the financial statements present fairly, in all material respects, the financial position of Midlands Community College Centre for Further Education and Training NPC at 31 March 2016, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa.

Other matter

Without qualifying our opinion, we draw attention to the fact that the supplementary schedules set out on page 20 - 31 do not form part of the annual financial statements and are presented as additional information. We have not audited these schedules and accordingly do not express an opinion on them.

Other reports required by the Companies Act

As part of our audit of the financial statements for the year ended 31 March 2016, we have read the Directors' Report for the purpose of identifying whether there are material inconsistencies between this report and the audited financial statements. The Directors' Report is the responsibility of the directors. Based on reading the Directors' Report we have not identified material inconsistencies between this report and the audited financial statements. However, we have not audited the Directors' Report and accordingly do not express an opinion thereon.

INDEPENDENT COMPILER'S REPORT TO THE STAKEHOLDERS OF MIDLANDS COMMUNITY COLLEGE ASSOCIATION

Report on the financial statements

We have compiled the financial statements of Midlands Community College Association based on information provided by management. They comprise the statement of financial position as at 31 March 2016, the statement of comprehensive income, the statement of changes in reserves and statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory notes, as set out on pages 8 to 23.

Management responsibility for the financial statements

The association's management are responsible for these financial statements, including adoption of the applicable reporting framework, and the accuracy and completeness of the information used to compile the financial statements.

Compiler's responsibility

We performed this compilation engagement in accordance with the International Standard on Related Services 4410 (Revised), Compilation Engagements.

We have applied our expertise in accounting and financial reporting to assist management in the preparation and presentation of these financial statements in accordance with International Financial Reporting Standards for Small and Medium-sized Entities. We have complied with relevant ethical requirements, including principles of integrity, objectivity, professional competence and due care.

Since a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the information you provided to us to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on whether these financial statements are prepared in accordance with International Financial Reporting Standards for Small and Medium-sized Entities.

MIDLANDS COMMUNITY COLLEGE ASSOCIATION

GENERAL COMMITTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2016

The General Committee has pleasure in submitting their report together with the annual financial statements for the year ended 31 March 2016.

General review

Midlands Community College Association is an association incorporated in the Republic of South Africa. The principal activities of the association is fundraising for Midlands Community College Centre for Further Education and Training NPC .

Statements of responsibility

The General Committee is responsible for the maintenance of adequate accounting records and the preparation and integrity of the financial statements and related information.

The auditors are responsible to report on the fair presentation of the financial statements. The financial statements have been prepared in accordance with International Financial Reporting Standards for Small and Medium-sized Entities, and in the manner required by the Constitution.

The General Committee is also responsible for the association's system of internal financial controls. This is designed to provide reasonable, but not absolute, assurance as to the reliability of the financial statements, and to adequately safeguard, verify and maintain accountability of assets, and to prevent and detect misstatement and loss. Nothing has come to the attention of the General Committee to indicate that any material breakdown in the functioning of these controls, procedures and systems has occurred during the year under review.

The financial statements have been prepared on the going concern basis, since the directors have every reason to believe that the company has adequate resources in place to continue in operation for the foreseeable future.

These financial statements will be presented at the association's annual general meeting for the approval of stakeholders. It is possible that amendments may be required prior to stakeholder approval being given.

Financial results

The results of the association for the year under review are fully set out in the attached financial statements and require no further comment.

Events after the end of the reporting period

No material fact or circumstance, which requires comment, has occurred between the reporting date and the date of this report.

MIDLANDS COMMUNITY COLLEGE ASSOCIATION

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

1. General information

Midlands Community College Association is an association, incorporated in South Africa.

The address of the registered office of the association is Farm Gowrie, Nottingham Road. Its principal business activity and operations are fundraising for Midlands Community College for Further Education and Training NPC, which is conducted at Farm Gowrie, Nottingham Road.

2. Basis of preparation and accounting policies

The basis of preparation and principal accounting policies of the association, are consistent in all material respects with those applied in the previous year, except as otherwise indicated.

Basis of preparation

The financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Constitution. They are presented in South African Rands.

Property

Property, plant and equipment are tangible assets that:

- (a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes, and
- (b) are expected to be used during more than one period.

Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. The cost of an item is its cash price equivalent at the recognition date.

Land and buildings are stated at cost and are not depreciated as they are considered held as investment property.

Gains or losses on disposal are calculated by deducting the carrying value from the proceeds on the date of disposal and are included in profit or loss.

MIDLANDS COMMUNITY COLLEGE ASSOCIATION

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

2. Basis of preparation and accounting policies

Investments

Investments are initially recognised at cost, including transaction costs.

After initial recognition investments are measured at their fair values, without any deduction for transaction costs that may be incurred on disposal. The following categories of investments are measured at amortised cost using the effective interest rate method if they have a fixed maturity, or at cost if there is no fixed maturity:

- Held to maturity investments.

Dividend income from investments is recognised when the right to receive payment is established and is included in other income.

Lady Usher, Health Care and Maths and Science Investments

Investments are stated at market value ruling at the association's year end. Unrealised profits or losses arising from the revaluation to market values at year end as well as realised profits or losses on disposal of investments during the year, are credited or charged directly to the Lady Usher and Peter Brown, Health Care and Maths and Science Funds. Realised gains and losses on the disposal of investments during the year are calculated as the difference between the proceeds on disposal and the revalued amount at the beginning of the year, or cost if purchased in the current year.

Capital Donations Fund

Donations of capital items received are credited directly to this fund when received and are not accounted for via the income statement. All other donations received apart from donations from the Lady Usher and Peter Brown, Health Care and Maths and Science Funds are credited to the income statement as and when received. Profits or losses on disposal of capital items credited directly to this fund are accounted for directly in the fund. Improvements to the property which has been expensed against project income in the Midlands Community College Centre for Further Education and Training NPC, are capitalised in the association, and charged to the Capital Donations Fund.

MIDLANDS COMMUNITY COLLEGE ASSOCIATION

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

2. Basis of preparation and accounting policies

Lady Usher and Peter Brown, Health Care and Maths and Science Funds

Capital donations to these funds and designated as such, are credited directly to the relevant funds. Income resulting from the funds' investments are credited directly to the relevant funds as and when received, and are only transferred to the income statement as and when authorised by the finance committee.

Donor Control Accounts

Donations raised on behalf of a non-profit company, Midlands Community College Centre for Further Education and Training NPC, are accounted for on receipt of the donation received, are not recognised as income and are credited to separate donor control accounts for each specified donation project, and held in Trust for the donors. Funds are transferred from the donor control accounts to the non-profit company, when formally requested by the company for specific projects and once approved by the General Committee.

Trade receivables

Trade receivables are distributions receivable from funds and are carried at amortised cost.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less.

Bank overdrafts are shown separately in current liabilities.

Revenue

Fund raising income, dividends and interest are brought to account when received.

Financial instruments

Financial instruments as stated on the balance sheet include cash and bank balances, investments, receivables, trade creditors and borrowings. These instruments are stated at amortised cost. Where there is objective evidence of impairment, provisions are made accordingly.

MIDLANDS COMMUNITY COLLEGE ASSOCIATION

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

2. Basis of preparation and accounting policies

Cash flows

For the purposes of the cash flow statement, cash includes cash on hand, deposits held on call with banks, investments in money market instruments, and bank overdrafts.

Comparative figures

Where necessary, comparative figures have been reclassified to conform with changes in presentation for the current year.

Reclassification details:

- (a) nature of reclassification
 - (b) amount of each item or class of items reclassified
 - (c) reasons for reclassification
